		FAX:
EMAIL ADDRESS:	TYPE OF CONNECTION: <input type="checkbox"/> Water <input type="checkbox"/> Sewer <input type="checkbox"/> Water & Sewer	CONNECTION TO BE MADE AT:

CONNECTION FEES ARE: Water: \$50.00 Sewer: \$50.00

GENERAL INFORMATION FOR CONNECTION TO THE ROCKY HARBOUR WATER AND/OR SEWER SYSTEM

1. Property owners are not permitted to tie into town services without approval of the Town of Rocky Harbour.
2. Violators will be prosecuted for tampering with Town property.
3. Connections to the main lines will be made between Monday and Thursday.
4. If water and sewer services are turned off for any reason, a **\$20.00 charge** will be levied to have the services restored.
5. All water lines must be Copper or Municipex.
6. All buildings must have a shut-off valve (flared or compression joint inside the building).
7. All buildings must have a pressure reducing valve installed inside the building.
8. All sewer pipe(s) to be used shall be PVC SDR 35 or equivalent; not glued joint underground.
9. Only one service is permitted on a 4" PVC pipe. A 6" pipe is required for more than one service.
10. All sewer installations require a 4" back flow valve inside the basement or crawl space.
11. All underground water and sewer pipe must be laid 6' deep up to the curb stop.
12. If space under the house is unheated, special frost protection must be provided for the pipe. The pipe trench must be left open until connection is inspected. This is **IMPORTANT**, as all connections must be inspected before the water is turned on. Water **will not** be turned on until the connection passes inspection.
13. Road Bed: Tamp material in 6' lifts, back fill material must be crushed stone.
14. All services must be inspected by the Town before they are backfilled or the services will not be turned on.
15. Sump pumps, floor drains, weeping tile, roof drains, etc. shall not be connected to the sanitary sewer system.
16. Applicant is responsible for all cost of water and sewer hookup (equipment, materials, labour, and signage where needed).
17. Applicant is responsible for cost of any and all damages caused to other property, environment or pipes during construction.
18. Any asphalt which has to be cut is the responsibility of the applicant to replace.

Developers are responsible for:
